JUNE 2023

Thank You

We would like to thank our staff, residents, families, consultants, physicians, volunteers, and all other liaisons/affiliates for a great Annual AHCA Survey!

Employee of The Quarter

A big shout out to Frances B. and Albert V. who were voted by their peers for employee of the quarter. *Congratulations!!*

NATIONAL NURSING HOME WEEK

The 2023 theme for National Skilled Nursing Care Week (NSNCW) May 14-20, *Cultivating Kindness*, is inspired by the many acts of kindness that happen in skilled nursing care centers every day. Research has found that practicing compassion and kindness not only can improve health and well-being but can also strengthen human connections and bonds. Staff, residents, families, and members of the local community were encouraged to come together, lift each other up and participate in activities that promote and spread kindness.

Our families, residents, and staff enjoyed several fun activities with the help of Centerwell Home Health, Emerald Coast Hopsice and The HOPE Project and a couple of 4-legged visitors this week that had everyone smiling and happy. What a Great Week!

Thank you Centerwell Home Health, Emerald Coast Hopsice and The HOPE Project for bringing Dolly, and Loki to visit our residents. (Dolly the pony, Loki Husky dog) We had a great time petting them.

NURSES WEEK MAY 8TH-12TH

We would like to say thank you to all our nureses. All their hard work and dedication is greatly appreciated. A lunch was provided for them and they got some really nice prizes and gifts.

Congratulations Kristy!

Congratulations to Kristy Eldridge for being voted by her peers for nurse of the year. She has been with BHRC since 2003. She is a caring and dedicated nurse who takes care of all our residents with love and respect. Thank you Kristy.
