She designed beautiful centerpieces with whatever was blooming in their yard: camellias, hydrangeas, day lilies, dogwood and ferns. Eloise received many birthday cards from family and friends. Spooktacular Halloween Mask Craft

Using a paper plate, cut out holes for the eyes and mouth. Trim off the circular edges for a unique shape. Use paint, markers, crayons, or colored pencils to decorate the front of the paper plate. You can draw a spooky face, a friendly character, or any Halloween-themed design. Use glue to attach feathers, sequins, glitter, or googly eyes to embellish your mask.

Punch a hole on each side of the mask, near the edges. Thread a piece of string or elastic cord through each hole and tie knots to secure them when you get the perfect fit. Show off your spooktacular creation to friends and family and encourage them to join in the fun!
