Activity Highlights

The month of April was an exciting one. We had lots of fun activities for residents. Our annual Easter Egg hunt was so much fun. Residents found all the eggs with candy in them, and a few golden eggs that had money and a few that had Easter gifts. We played some games and had some treats. Grant and Connie were brave enough to play the egg game where the residents had to try to get the egg to in the nest, which was the whipped cream on their heads. Residents had a blast and were laughing so hard. The Easter Bunny also came to visit. Thank You Emerald Coast Hospice for bringing the Easter Bunny.

News from the Kitchen

All of us at BHRC would like to wish all our moms a happy Mother's Day.

Menu for Mother's Day

- Fried Chicken
- Potato Salad
- Broccoli Salad

Facility Updates:

We would like to thank you for your patience as we continue with many renovations inside and outside of the facility.

Spring is here and it's time to start our spring cleaning. We would like to encourage you to help tidy up their rooms.

We have been preparing for Hurricane Season, which is just around the corner. We have our checklist in place and we're getting prepared. Thank you for your continued support.

Enhanced Barrier Precautions: How We Keep Our Residents Safe

What's New:

We are using Enhanced Barrier Precautions to help protect our residents from infection. You may notice:

- New signs throughout the facility
- Staff wearing gowns and gloves for high-contact care activities

Why We're Making These Changes:

We are taking action to protect our residents from dangerous germs. These germs can cause infections that are hard to treat.

Enhanced Barrier Precautions allow us to provide safe, high-quality care and help stop the spread of germs within our facility.

How to Help When You Visit:

You can help stop the spread of germs by cleaning your hands with alcohol-based hand sanitizer or soap and water.

Enhanced Barrier Precautions

Everyone Must:

- Clean their hands, including before entering and when leaving the room.

Providers and Staff Must Also:

- Wear gloves and a gown for the following High-Contact Resident Care Activities
- Dressing
- Bathing/showering
- Transferring
- Changing linens
- Providing hygiene
- Assisting with toileting
- Device care or use (Central line, urinary catheter, feeding tube, tracheostomy)
- Wound Care: any skin opening requiring dressing. Do not wear the same gown and gloves for the care of more than one person.

If you have any questions or concerns, please see Michelle our infection control nurse Ext 816
