We had a big celebration party for all our staff for a great annual Survey. We had an outdoor celebration with a dunking booth, games and food. Grant, Rebecca, and Thomas really enjoyed the dunking booth.

Residents enjoyed dunking them. We would like to thank all our staff for a job well done!! Deficiency Free Survey!!!

Preparing for Cookout!

New Visitors!

We put a deer feeder out in front of the building. We have been having visitors every morning and evening. Residents and families enjoy watching them. They love the corn!!

Activity Highlights

We had a new game for the residents Beer Pong. They loved it and was pretty good at it.

We'll put it back on the calendar. Of course we didn't have beer but they still enjoyed it.

Grandparents Day: September 8

Grandparents Day celebrates the important role grandparents play in families and society, highlighting their unique contributions and strengthening intergenerational bonds. Looking for ways to celebrate? Here are some ideas to get you started:

Family Gatherings: Enjoy a meal together, whether it's dinner or afternoon ice cream. Share stories, memories, and quality time with one another.

Activities Together: Spend the day doing activities grandparents enjoy, like listening to music, bowling, gardening, or playing cards and board games.

Video Messages: For long-distance families, arrange video calls or send video messages to connect. Text or email photos if you're not able to arrange a video call.

Take the time, Sunday, September 8 to recognize, appreciate, and celebrate the unique impact grandparents have on our lives through their wisdom, support, and love.
