Update: Building Renovations

We have replaced the floors in the restorative dining room and put up scratch resistance wall covering on 100 hall. We will be doing the rest of West Wing in the next few weeks. We are moving our smoking area to the back of the building. We poured a concrete pad with a roof over it. It looks very nice. We'll keep you updated on our progress. Thank you all for your support.

Veterans Day: November 11

Thank you, veterans, for your dedication, strength, service, and sacrifice—today and always.

In May 1938, November 11, originally known as Armistice Day, became a legal holiday to honor veterans of World War I. In 1954, after World War II had required the greatest mobilization of defense personnel in the Nation's history, and after American forces had fought aggression in Korea, the 83rd Congress amended the Act of 1938 by replacing the word "Armistice" with "Veterans." At that time, November 11 became a day to honor American veterans of all wars for their patriotism, love of country, and willingness to sacrifice for the common good.
