Famous Couples:

A Valentine's Matching Game

Give each player a blank sheet of paper to write their answers. Choose one person to be the host, who is responsible for announcing the first half of the famous couple (listed right). Everyone has 30 seconds to write down their best match. After each round, go around the group and have everyone announce their answers. ****Answers must work with the word "and" in the middle of each half of the couple.****

Matching Rules: The goal is to match with **only one other person in the group.**

- 1 point for matching with two or more people.
- 3 points for matching with only one person.

After 20 rounds, the person with the most points wins!

Creativity counts, but discovering your perfect matching mate gives you an advantage!

(Optional) Bonus Round:

Want more fun? Have everyone write down five more famous pairings, put them in a hat, and play another game with the new suggestions!
